Director, FOI and Security Review
OASD (PA)
The Pentagon
Washington, D.C. 20301

Dear Mr. Hinkle:

Enclosed for your coordination is another document found in CIA files as a result of the CBS discovery motion, which relates to the process of estimating Viet Cong and North Vietnamese Military Strength in South Vietnam during the period 1966-68. We have coordinated this document with the Foreign Relations Committee of the United States Senate. They have no objection to its release provided the Department of Defense approves. CIA also has no objection to its declassification and release.

We request that you review the document and return the results of your review and the document to us, so that we may coordinate the release of all documents found in CIA files to both parties in the CBS/Westmoreland suit.

Thank you for your assistance in this matter. If you have any questions, please contact Mr. Jim Emerson of my staff on 351-2777 or secure line (Green) 34005.

Sincerely,

Chief, Classification Review Division
